Menko is a traditional toy card in Japan. Menko hand throwing is popular game.

I invented the menko gum shooting gun which can throw menko 33 feet.

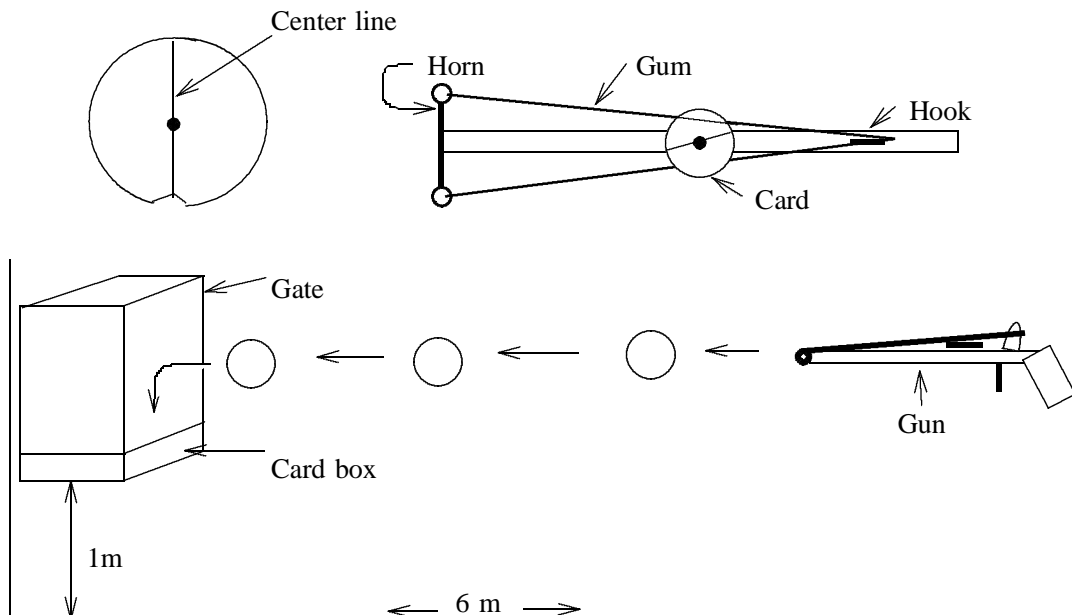

Card gum shooting is a new sport. I thought out the card shooting rule.

The sport is safe and fantastic. Every body can play.

The card gum shooting opens the new card throwing world.

Card: 6cm in diameter, thick paper

Card gum gun: 38 cm long

International card gum shooting rule

1. Card box is 35 cm x 35 cm x 15 cm which is placed 1 meter high from floor.
2. Gate above the card box is 35 cm x 50 cm. Shredded curtain prevents card rebound.
3. Shooting line is 6 m from the back of card box.
4. Player shoots 30 cards for a game.

Patent : Card gum shooting gun: Jitsugan 2006-010087 Hironori Higuchi
